

KGM

LETTER BOX

KGM letter box is an injection molded letter box made from ABS plastic. It has an in built lock system which will keep your mail secure. It is available in many different ultraviolet stabilised colours to suit every taste.

KGM letter box offers many benefits:

1. Mail can be easily checked through the see through
2. Durable long lasting construction
3. Splash/weather proof design
4. Large enough to receive an A4 sized envelope
